A camping meeting was held on Sunday, November 11, 2007 at the Thanksgiving Dinner Event to discuss the camping trips for the summer of 2008. Many PWP members participated in the meeting and enthusiastically recommended the above trips. Please plan your vacation time and join your friends on several of the above camping trips. Following is a brief summary of the camping guidelines.

**Camping Guidelines**

1. Camping fees are based on two families per site. If you and your equipment need a site to yourself, you will be charged accordingly.
2. Rental of cabins and trailers (when available) will be subsidized to the extent that tent sites are subsidized.
3. All trailer rentals and cabin rentals need to be paid in full 30 days prior to the camping trip.
4. All guests including PWP members will pay \$ 10.00 for each night they camp with a PWP member.
5. Be considerate, pitch only your main tent until the other family arrives on site and you know how much space is left before you put up any screen houses/canopies.
6. One picnic table per site. Sharing is essential.
7. Group campfire in the evenings. Fire rings may be combined to accommodate size of group. Bring your own marshmallows.
8. Be courteous of other campers. Follow campground quiet hours.
9. You are responsible for your children at all times.
10. Tent sites are on a first come, first serve basis. Trailers and pop-up campers have priority for water and electric sites.
11. Lend-A-Hand. Help an inexperienced camper set up their tent and equipment.
12. Absolutely no alcoholic beverages allowed at any family and youth events including camping.
13. Signup for a camping trip will require full payment sent to the camping director. Please contact the camping director as soon as possible to arrange for your payment to assure that there is space on the trip. The camping director must receive full payment before you are officially signed up. If you have to cancel, a refund will be made if another camper takes your space.

At this time there is availability for all of the above camping trips. Why not plan ahead and make your reservations. Several members have signed up already. You
